Directions and Hotel Information
The hotel address, phone number, URL, room rate, and room rate cut-off date are posted on our web site at http://hcmarketplace.com/medical-auditing-boot-camp. The hotel websites give detailed directions to the hotel as well as information about the location. Please call the hotel directly to make a room reservation. Be sure to identify yourself as an HCPRO Boot Camp participant, and make your reservation before the cut-off date. After the cut-off date, contact the hotel to determine room availability and rates.

Course Materials
When you arrive at class, you will receive workbooks containing the class materials used throughout the boot camp. These workbooks will be yours to keep.

Manuals Needed for Class
Coding Manuals
As part of your course registration fee, HCPro will provide all attendees with ONLY two out of the three required manuals:
- 2018 ICD-10-CM Expert for Physicians
- 2018 HCPCS II Expert

These manuals will be distributed on the first day of class by the instructor.

Each course participant must also bring their own AMA CPT 2018 Professional Edition® to class.

If you need to order this manual from HCPro please use the following link.

The “Standard” version of the CPT manual, CPT Expert, and CPT Plus! are not acceptable for the Boot Camp course.

NOTE: There will be no discounts or refunds for students desiring to bring their own ICD-10-CM and HCPCS II coding manuals to class. Please be sure to save room in your luggage to transport these manuals home with you.
Lunch
We will take about a one-hour break for lunch each day. Although we typically provide coffee in the morning and drinks and snacks in the afternoon, everyone is on their own for lunch. Note that many hotels do not have restaurants on-site. If you are flying to the course, we generally recommend renting a car.

What to Bring to Class
We recommend you bring the following to all classes:

- Highlighter and pen/pencil
- A notebook for making your own notes
- Sticky notes/flags

Use of Laptop Computers or Electronic Devices
Our instructors demonstrate where to find many resources on the CMS website. If you have access to a laptop or tablet you may bring it to class to follow along, but you may wish to consider the power and wireless needs of your device. Many conference rooms do not have plugins situated conveniently to the tables so you may wish to ensure you have sufficient battery power. HCPro does not purchase group wireless access for the conference rooms, but many hotels provide free wireless access. You may wish to confirm your connectivity options prior to arriving at the hotel. Please be courteous in your use of electronic devices. Use of electronic devices should not disrupt the class or disturb other participants. HCPro is not responsible for lost, stolen, or damaged devices. Maintaining the security and safety of your device is your responsibility. Cell phone use during class is strictly prohibited.

Dress
Business attire is not necessary. Please dress comfortably. Also, we find that the classrooms are sometimes on the cool side, even during the warmer months. You may be more comfortable if you bring a sweater or sweatshirt in case you get cold.

Copyright Protection of Course Materials
You will receive a complete copy of our course materials at the beginning of class.
