Course Materials
When you arrive at class, you will receive two books containing the class materials utilized throughout the boot camp. These books will be yours to keep. The books weight approximately 5-8 pounds, so please plan accordingly.

Manuals Needed for Class
There are no additional manuals required for this class.

Classroom Time
Other than short breaks and lunch, we will be in class from 8:00am to at least 5:00pm daily. In order to focus all attention on the course and to not distract other participants as well as the instructor, cell phone use during class is strictly prohibited. We will take short breaks (10-15 minutes each) throughout the day that will give participants an opportunity to make calls, use the restroom, etc.

Lunch
We will take about a 45-minute break for lunch each day. We typically provide coffee in the morning and drinks and a light snack in the afternoon, everyone is on their own for lunch. Note that many hotels do not have restaurants on-site. If you are flying to the course, we generally recommend renting a car, or investigating availability of hotel shuttle or ride share.

What to Bring to Class
Please bring the following to all classes:

- Highlighter
- Notepaper
Contains Time Sensitive Information – Please Read Immediately

- Sticky Notes/flags
- Pen/Pencil
- Layered clothing e.g., light sweater, light jacket, etc.
**Dress**
Business attire is not necessary. Please dress comfortably. Sometimes classrooms are on the cool side, even during the warmer months. You may be more comfortable if you bring a sweater or sweatshirt in case you get cold.

**CCDS Examination Information**
The Association of Clinical Documentation Improvement Specialists (ACDIS) offers a certification for CDI specialists, the **Certified Clinical Documentation Specialist (CCDS)**. We recommend the CCDS exam for individuals who complete this boot camp and desire to pursue certification. However, the course may not cover all the content areas tested on the exam. Additionally, the certification requires experience performing the duties of a CDI specialist so attending of this class may not qualify you to sit for the exam if you are new to the field of CDI.

Consequently, depending on your background and experience, additional independent study and/or training may be required to pass the CCDS examination. To download the *CCDS Candidate Handbook and Application* and view the prerequisites, visit the ACDIS website at [www.cdiassociation.com/certification](http://www.cdiassociation.com/certification).
