Classroom Time
Other than short breaks and lunch, we will be in class from 8:00 a.m. to at least 5:00 p.m. each day. In order to focus all attention on the course and to not distract other participants or the instructor, cell phone use during class is strictly prohibited. We will take short breaks (up to 10 minutes each) throughout the day that will give participants an opportunity to make calls, use the restroom, etc., in addition to an hour lunch break for lunch on your own.

Lunch
We will take about an hour break for lunch each day. We typically provide coffee in the morning and drinks and a light snack in the afternoon; everyone is on their own for lunch. Note that many hotels do not have restaurants on-site. If you are flying to the course, we generally recommend renting a car.

CCDS examination information
The Association of Clinical Documentation Improvement Specialists (ACDIS) offers a certification for CDI specialists, the Certified Clinical Documentation Specialist (CCDS). The certification requires experience performing the duties of a CDI specialist so attending this class may not qualify you to sit for the exam if you are new to the field of CDI.
