Course Materials
When you arrive at class, you will receive class materials utilized throughout the boot camp. These will be yours to keep.

Manuals Needed for Class
A current year ICD-10 DRG Expert, published by Ingenix, is HIGHLY RECOMMENDED for this class. If you do not have access to a DRG Expert from 2020 or 2021 you may want to obtain one. You may purchase DRG Expert on the HCMarketplace website at https://hcmarketplace.com/2021-drg-expert, or visit the Ingenix Website at http://www.shopingenix.com.

Classroom Time
Other than short breaks and lunch, we will be in class from 8:00 a.m. to at least 5:00 p.m. each day. In order to focus all attention on the course and to not distract other participants or the instructor, cell phone use during class is strictly prohibited. We will take short breaks (up to 10 minutes each) throughout the day that will give participants an opportunity to make calls, use the restroom, etc., in addition to an hour lunch break for lunch on your own.

Lunch
We will take about an hour break for lunch each day. We typically provide coffee in the morning and drinks and a light snack in the afternoon; everyone is on their own for lunch. Note that many hotels do not have restaurants on-site. If you are flying to the course, we generally recommend renting a car, or investigating availability of hotel shuttle or ride share.

What to Bring to Class
Please bring the following to all classes:

- DRG Expert
- Highlighter
- Notepaper
- Sticky Notes/flags
- Pen/Pencil
- Layered clothing e.g., light sweater, light jacket, etc.
Dress
Business attire is not necessary. Please dress comfortably. Sometimes classrooms are on the cool side, even during the warmer months. You may be more comfortable if you bring a sweater or sweatshirt in case you get cold.

How does this class complement the exam?
The class follows the content outline of the exam, touching on the specific domains of learning that the exam assesses. It provides an overview of the topics relevant to CDI practice and CDI competency.

Does the class provide a practice exam?
Yes! Class attendees will receive access to the *CCDS Exam Study Guide* practice exam.

**CCDS examination information**
The Association of Clinical Documentation Improvement Specialists (ACDIS) offers a certification for CDI specialists, the **Certified Clinical Documentation Specialist (CCDS)**. The certification requires experience performing the duties of a CDI specialist so attending this class may not qualify you to sit for the exam if you are new to the field of CDI.

Consequently, depending on your background and experience, additional independent study and/or training may be required to pass the CCDS examination. To download the **CCDS Candidate Handbook and Application** and view the prerequisites, visit the ACDIS website at [www.cdiassociation.com/certification](http://www.cdiassociation.com/certification).

- Food service will follow the safety guidelines implemented by the hotel.
