Directions and Hotel Information
The hotel address, phone number, URL, room rate and room rate cut-off date are posted on our web site at http://hcmarketplace.com/medicare-boot-camp-rural-health-clinic-vrsn. The hotel websites give detailed directions to the hotel as well as information about the location. Please call the hotel directly to make a room reservation. Be sure to identify yourself as an HCPRO Boot Camp participant. Please be sure to make your reservation before the cut-off date. After the cut-off date, contact the hotel to determine room availability and rates.

Course Materials
When you arrive at class, you will receive a workbook with handouts containing the class materials utilized throughout the boot camp. The materials will be yours to keep, so plan accordingly in allowing enough room in your luggage on the return trip home, if necessary.

Classroom Time
It is an understatement to say that this course is intense. Other than breaks, we will be in class from 8:00 a.m. to 5:00 p.m. Keep in mind that if the class gets behind, it may be necessary to run the class later than 5:00 p.m.

Lunch
We will take about a 60-minute break for lunch. Although we typically provide coffee in the morning and drinks and snacks in the afternoon, everyone is on their own for lunch. Note that many hotels do not have restaurants on-site. If you are flying to the course, we generally recommend renting a car.
What to Bring to Class
Please bring the following to all classes:

• Highlighter, pen, pencil
• Notebook for making your own notes
• Sticky notes/flags

Use of Laptop Computers or Electronic Devices
Our instructors demonstrate where to find many resources on the CMS website. If you have access to a laptop or tablet you may bring it to class to follow along, but you may wish to consider the power and wireless needs of your device. Many conference rooms do not have plug-ins situated conveniently to the tables so you may wish to ensure you have sufficient battery power. HCPRO does not purchase group wireless access for the conference rooms, but many hotels provide free wireless access. You may wish to confirm your connectivity options prior to arriving at the hotel. Please be courteous in your use of electronic devices. Use of electronic devices should not disrupt the class or disturb other participants. HCPRO is not responsible for lost, stolen or damaged devices. Maintaining the security and safety of your device is your responsibility. Cell phone use during class is strictly prohibited.

Dress
Business attire is not necessary. Please dress comfortably. Also, we find that the classrooms are sometimes on the cool side, even during the warmer months. You may be more comfortable if you bring a sweater or sweatshirt in case you get cold.

Copyright Protection of Course Materials
You will receive a complete copy of our course materials at the beginning of class. The materials used in connection with this course were custom designed by our company specifically for use in connection with this course. We have invested a tremendous amount of time, money and effort in developing, refining and maintaining these materials and they are protected by copyright laws. Course materials may not be duplicated. You may use the materials (i) in direct connection with the course or (ii) as a personal reference in your day-to-day work. No claim is asserted to any U.S. Government, American Medical Association or American Hospital Association works included in the course materials workbook.
